### Details:

This beautiful property of 60 m<sup>2</sup> (646 sq ft) is located in Miami Beach and was completely renovated by Bassline Design Architect. The property is equipped with a central cooling and has a comfortable bedroom with a King size bed.

You can enjoy your own pool but also a very nice community room and a billiard room. There is a covered parking for your car you can access by the elevator.

This is the best way to enjoy the good Miami Beach lifestyle and the beautiful and unique waterfront view from the open balcony!

### Location & surrounding area:

Miami is the most populous city of the Miami metropolitan area, but also the most populous metropolis in the Southern part of the United States. This region is famous for its Art Deco District, its luxury apartments, the white sand beaches and the extravagant lifestyle.

The city is known with its tropical monsoon climate, with a very hot summer and short and warm winter. Miami offers different entertainments like parks, museums, theatres but also performing art centers.
