Details:

A really special house in Tampa.

On a floor space of approximately 419 m² (4,505 sq ft) there are an elegant dining room with enough space for the largest furniture, a gourmet kitchen with countertops and solid wood cabinets. A pantry is also available. From here you can enjoy an incredible view of the pool and the golf course.

Especially nice is the screened porch, which is reached by a door from the living room with fireplace.
