Details:

This bright single family house in peaceful and quiet area would be the perfect choice for those who are looking for a place where to set up a family nest.

The house has 4 bedrooms and an office room. The fully equipped bright kitchen with granite worktops, gas stove and Subzero fridge can fulfill the needs even of a medium sized restaurant, but will serve for the needs of one family. Open style living room with the big sliding glass doors leading to the backyard is perfect place where to have family dinners and BBQ's.

Whilst parents are making BBQ or cooking a dinner, kids can enjoy fresh air and sun on the private pool side.

The house has large private garage and a place near canal where private dock can be built.
