Location & surrounding area:

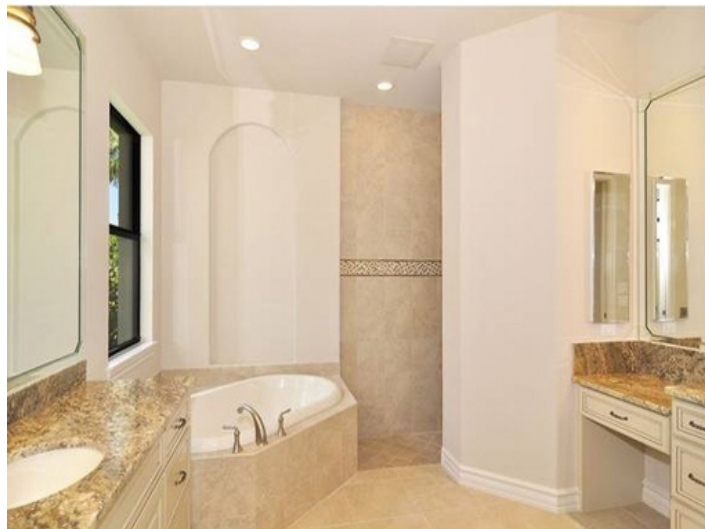

Fort Myers is a city which has a population of approximately 62,000 in the state of Florida and is known for his nickname City of Palms. The city is easy to reach by the airport, the Florida International Airport. Throughout the year will be held several sports events and the town is also used as a training place of the Boston Red Sox and the Minnesota Twins.

For many connoisseurs of fabulous places the Lovers Key State Park is one of the most beautiful beach in the world and therefore an absolute must to visit. The climate is subtropical and therefore consistently warm all year. The summer days have a temperature of approximately 88° F.
