Details:

On one of the four islands (Sunset Iceland 1-4), which are upstream from Miami, this gorgeous villa with a size of 483 m² (5199 sq ft) is situated.

The property features five bedrooms, five bathrooms, an office and a spacious living room. The large windows provide stunning views of the sea.

Via stairs or an elevator you get into the exclusive wine cellar.

Relax in the huge garden, which has been lovingly planted and decorated with fountains, statues and mosaic paths.

Many extras are available, such as marble floors, air conditioning, heat pump and garage.
