Location & surrounding area:

Naples is a city in Collier County in the U.S. state of Florida and is situated on the coast of the Gulf of Mexico.

As in many other cities in Florida, a large part of Naples provides many water channels. In addition, there are wonderful beaches in Naples, which are perfectly suited for swimming. The town's landmark, however, is the fishing pier of 1887. It is 300 meters long and ideally suited for taking a walk or fishing.

Last but not least, Naples is one of the richest cities in the United States.
